As the name implies, we aren't afraid of a little D.I.R.T. and the weekend will involve numerous physical outdoor activities such as fishing and clay-shooting. Please feel free to bring your own lawn chair, rod, tackle, shotgun, and gear. However, this is not a requirement and gear will be available for you to use. All shotguns will be checked in and secured over the weekend. Come comfortable and bring clothes you aren't afraid to get dirty, your swimsuit, toiletries, any medications you need, pillow and sleeping bag, and be prepared to have a great time.

Signed

Date
